

Highlight Report for April 2017

In the month of April we had Vocation Bible School which was held on 13th to 15th April 2017. Under the theme "Faith" (Heb. 11:6). Sunshine hostellers lead the praise and worship and taught songs in the VBS. We had a Bible study about Faith because we wanted them to understand the meaning of faith in their life. Faith is something that we can't touch and can't see. But it's about a personal relationship and a person has with God. We also had group competitions like, songs and bible quiz. We even played games relevant to faith. On the last day we had a time of reflection and many students shared their blessings and thoughts. Therefore, we all had a meaningful and blessed time together.

Give out Reward to the winner of Song Completion.
