THE ETHNIC THAI PEOPLE OF THAILAND

May Mission Month Special 2017

Dear friends and supporters,

We greet you in the name of our Lord and Saviour Jesus Christ in this May Mission Month.

Have a look at some important points to remember:

1. The latest figure that we have for the population of Thailand is 67.96 Million (2015). Out of this, we have less than 2% Christians in the whole of Thailand. This 2% is mostly made up of Hill Tribe and Chinese. Global Interaction wants to focus on the many millions among the Ethnic Thai who do not even know who Jesus is! Please continue to pray for them and for us so that in this Buddhist kingdom, the Kingdom of God will come.
2. According to the figure we have, the total number of villages in Thailand is 80,677. Out of these, we have 5084 churches. 3419 villages have churches, that means around 4% of villages have churches. 96% of Thai citizens live in villages where there is no church!
3. God is using cross cultural workers to make changes in the lives of the people. By developing relationships with them, we try to turn them towards God but it is God who changes their hearts. Please continue to pray for us and for the people we serve.

4. On 29th and 30th April, we had a leadership training. Leaders from our Faith group came together and we had a good time of learning, sharing and fellowship during these two days. Please continue to pray for the leaders as they face challenges from many sides.
5. As some of you are aware, our family will come back to Australia for our home assignment. We have our air tickets already whereas our visa is still being processed. Please pray for this and also for our time in Australia (27th May to 24th August) that our needs will be met to be able to continue our ministry here in Thailand.
6. We pray that during this May Mission Month, many hearts will be stirred to have a passion for the extension of God's kingdom by means of stepping out into the fields, prayers and financial support. May God be with you all during this May Mission Month!

In Christ,

Dema, Carolyn, Grace and Daniel.
