

250 backpacks

FOR OUR COMMUNITY

Thank you for joining us in delivering 250 back packs full of school supplies and resources for kids in our local Georges River community.

Together we can make a big difference!

How does this work?

- 
1. Pick an age bracket and gender
 2. Get shopping!
 3. Drop off your bags to one of the drop off locations before 6 December
 4. We will place your contents into our backpacks and send them off to our community!

We encourage families to do this together.

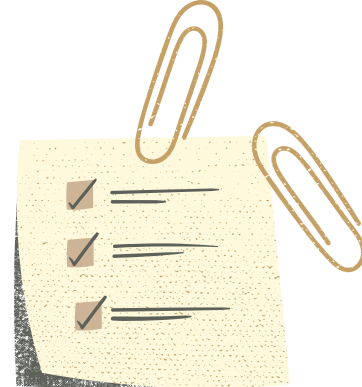

We are asking people to purchase ALL the contents of one bag, rather than bringing in multiple lunchboxes for example. We believe this is the best way to reach our goal and you can purchase the items with a certain age and gender in mind.

If you have kids, have them pick out the items and even put some of their own pocket money/Christmas money towards them. You can donate as many bags as you would like.

What do I buy?

Each Donated bag should contain (with approximate prices):

- Drink Bottle (\$5-\$7)
- Lunch box (\$5-\$7)
- Glue Sticks (2-4 pack \$2)
- HB Pencils (2-4 pack \$2)
- Coloured Pencils (\$3)
- 30cm plastic ruler (\$1)
- White erasers (2 pack \$2)
- Enclosed sharpener (\$1)
- Highlighters (2-4pack \$2)
- Pack of Lollies (\$2)
- A Gift (\$5-7)

Where do I buy them?

To stick to the price range we recommend places like Kmart and Officeworks.

Dropping off your bag
