REFLECT

Scott has challenged us to not miss God's invitation to reset our lives around the centrality of life with Jesus. *How do you feel about this?*

Which word best describes your response today? Expectant, Apprehensive, Indifferent, Negative. Haggai encourages us to "give careful thought to your ways". So, take time to give careful thought to why you feel the way you do. Ask the Holy Spirit to speak to you about those feelings.

Reflect personally, then with an intentional spiritual relationship, about what God is doing. (If you are in a Small Group you may want to talk with someone in your group.)

Reading and Prayer tips:

- Choose a time of day when you are at your best. This may mean waking a little earlier or staying up a little later.
- Invite someone in your household to either pray/read with you or invite a friend to pray/read at the same time each day (check in with each other throughout the week).
- Read the same verse and passage over and over. There is no rush!

Commit yourself to a dedicated period of time every day this fortnight. [Use our prayer document as a guide.](#)
