

May Mission

FOR GRLC FAMILIES

WHAT IS MAY MISSION?

Our vision as a church is to grow disciple-making communities growing along the Georges River and beyond revealing the love and life of Jesus for today impacting thousands of lives for eternity.

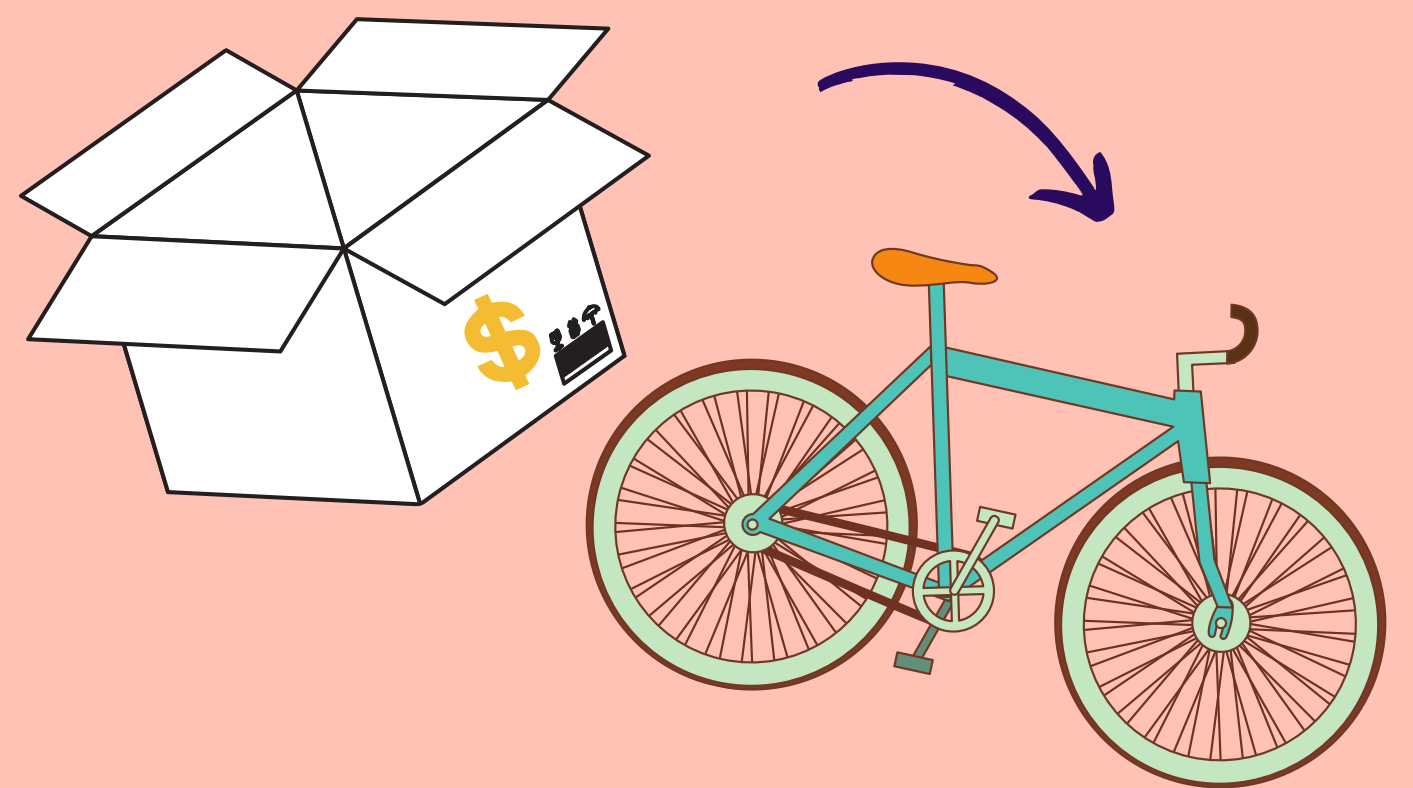

As part of our vision we partner with other disciple makers both within Australia and overseas. We support these communities through personal visits (when possible), prayer and finance. Our financial support is raised through the annual Mission Month Appeal in May each year.

We love taking this opportunity to help our kids and teens foster generosity in their lives and be part of God's bigger kingdom.

WHAT WILL YOUTH BE DOING?

We are going to be organising and hosting a supper during our PM service and have a special youth night to raise funds for Sunshine Hostel, one of our May Mission Partners.

WHAT WILL RIVER KIDS BE DOING?

We will be handing out mission money boxes to get our River Kids excited for this month. We will also be having a special Wheel-a-thon / Carnival Day on Sunday 13 June to have the opportunity to fundraise.
