

## River Kids Art Project

Below are 2 Christmas trees for your family to colour in and decorate. They will be used to create a big River Kids art work to be displayed at the Life Centre. For one tree you can colour in the pattern, and the other you can colour or decorate however you want. Once finished bring them to River Kids and we will add them to our River Kids masterpiece. We would love to have them all back by **Sunday 19th December.**
