## PRAYER AND SHARING

Today we have learnt about the beginning story of the Exodus - God's great Rescue! Moses was God's great leader, not because he was perfect (we saw today he didn't even want to be the leader!) but because God, who is Great, is with Him. That is the same for us. God called Moses to do great things, and He calls us to do great things too. God has purposes for each of our lives!

*Read Ephesians 2:10 together.*

Let's pray now:

1. Thank God for the bible and today's story that we can learn from
2. Thank God that he calls us to do great things like Moses
3. Ask God to help us follow Him and trust him
