Come and See Teaching -

We always start our year with a gospel!

As you work your way through the **gospel of John**, the book is constantly asking "**who is Jesus**" and John's big idea is that we can **come and see for ourselves**.

We will be using the **I AM statements of Jesus** to explore who Jesus is with the hope that these truths about Jesus will make a home in our kids hearts. How we view God is the beginning of how we view everything. To align with formation understanding and child development, we will expand the teaching for the older kids to discover what thinking you have to let go off to come and see the real truth about Jesus!

Because of all that the Son is, we have been given one blessing after another... No one has ever seen God. The only Son, who is truly God and is closest to the Father, has shown us what God is like.
