REFLECTIVE PRAYER QUESTIONS

Sunday 16 June 2024

GLENN POWER

How is your relationship with Jesus?

- What decisions/small steps can I take this week to build my intimacy with God and allow His love and wisdom to sink into my life?
- What was one experience this week that might be helpful for me to reflect on with God (and maybe others) that may help shape my understanding of God and myself?

Who are the trusted people in my life?

- Is there someone I can approach in the next month who is a little older or wiser that I could partner with in helping me in my small and large decisions

What is my unique identity?

- How has God created me and shaped me?
- What are my passions and desires in life?
- What are the ways I could live these out?
