

BIBLES + BOOKS

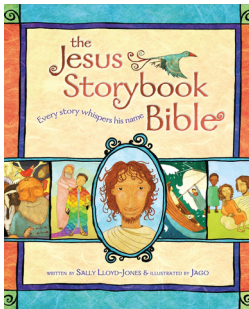

We often have people ask us what are some good bibles or book resources for our kids and youth. Here are a couple we love:

BEGINNER BIBLE

AGE: Preschoolers

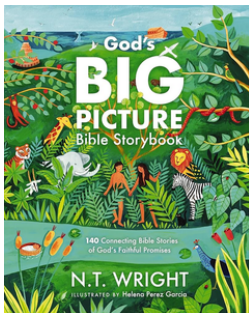

We love that it is simple for our preschoolers, has pictures and covers quite a few bible stories

JESUS STORYBOOK BIBLE

AGE: 4 yrs - 10 yrs

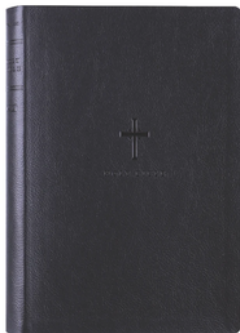

It is probably our favourite. It has less stories, but the images are beautiful and we love how it shows how every story whispers Jesus' name!

GOD'S BIG PICTURE BIBLE

AGE: 8 - 12 yrs

New in 2024, we love that there are over 160 bible stories, one per page. It's written a bit more matter of fact so a good step to the full bible. We also love that at the bottom of the page there is a prompt of what other bible stories match, showing Old and New testament links

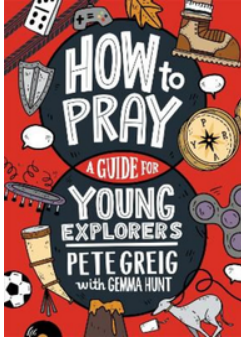

NLT BIBLE

AGE: 8 yrs +

We use NLT as our main translation at River Kids and Youth. At River Kids, we also gift each Year 8 graduating with a NLT bible!

HOW TO PRAY - PETE GREIG

AGE: 8yrs +

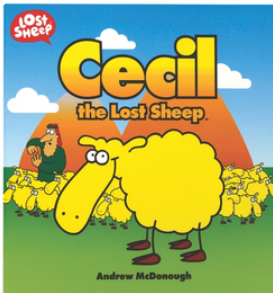

Even on theme for what we are doing as a church. We love how easy it is to read, and to apply it straight away.

SALLY LLOYD JONES PICTURE BOOK SERIES

AGE: 4 yrs - 8 yrs

From the same author as Jesus Story book bible are these very special picture books, mostly focused on Psalms or biblical truths.

THE LOST SHEEP SERIES - ANDREW MCDONOUGH

AGE: 4 - 10 yrs

So many to pick from, and just a lot of fun. We love the brightness and how clever some of the stories are by changing it to the perspective on the animal.
