# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

#### Note 1 - Corporate information

The financial report includes the financial statements and notes of Georges River Community Baptist Church for the year ended 31 December 2024. Georges River Community Baptist Church (the 'Church' or 'Georges River Life Church') is registered with the *Australian Charities and Not-for-profits Commission Act 2012* and is domiciled in Australia.

Georges River Life Church offers services and programs that provide religious instruction and support to a wide range of people from different backgrounds, nationalities and ages.

The registered address and principal place of business of the Church is:

23-27 Stanley Street Peakhurst NSW 2210

The financial statements were approved by the Board Members on 15 April 2025.

### Note 2 - Basis of preparation

#### Statement of Compliance

These general purpose financial statements have been prepared in compliance with the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and *Australian Accounting Standards - Simplified Disclosures*. The Church is a not-for-profit entity for the purposes of preparing these financial statements.

#### Basis of measurement

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

### **Comparatives**

Where required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current financial period.

#### Critical accounting estimates and judgements

The Board Members evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Church.

## Key estimates

#### *Impairment*

The Board Members assess impairment at the end of each reporting period by evaluation of conditions and events specific to the Church that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

#### Estimation of useful lives of assets

The estimation of the useful lives of assets has been based on historical experience as well as manufacturers' warranties (for plant and equipment) and turnover policies (for motor vehicles). In addition, the condition of the assets is assessed at least once per year and considered against the remaining useful life. Adjustments to useful lives are made when considered necessary.

### Long service leave liability

The liability for long service leave is recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of rates and pay increases through promotion and inflation have been taken into account.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

### Note 2 - Basis of preparation (continued)

### New and revised standards that are effective for these financial statements

Several amendments and clarifications to Australian Accounting Standards and interpretations are mandatory for the 31 December 2024 reporting period. These include:

- AASB 2020-1, AASB 2022-6 and AASB 2023-3: Amendments to AASB 101 Classification of Liabilities as
   Current or Non-current
- AASB 2023-1: Amendments to AASB 7 and 107 Supplier Finance Arrangements
- AASB 2024-1: Amendments to AASB 1060 Supplier Finance Arrangements: Tier 2 Disclosures

The application of these amendments and clarifications have not had a material impact on the carrying values of the Church's asset, liability or equity balances; nor a material impact on the disclosures in the financial report nor the recognition and measurement of the Church's revenue or expenses.

#### New standards and interpretations not yet adopted

Certain new accounting standards, amendments and interpretations have been published that are not mandatory for 31 December 2024 reporting periods and have not been early adopted by the Church. These include:

- AASB 18 Presentation and Disclosure in Financial Statements (applicable for the year ending 31 December 2027)
- AASB S1 General Requirements for Disclosure of Sustainability-related Financial Information (applicable for the year ending 31 December 2025, depending on criteria qualification outcomes)
- AASB S2 Climate-related Disclosures (applicable for the year ending 31 December 2025, depending on criteria qualification outcomes)

It is not expected that AASB 18, AASB S1 or AASB S2 will have a material impact on the Church in future reporting periods. AASB S1 and AASB S2 will only have mandatory application to entities required to report under Chapter 2M of the Corporations Act 2001 for annual reporting periods commencing on or after 1 January 2025. The Church is currently assessing whether there will be any material change to disclosures in financial reporting in future years as a consequence of sustainability reporting requirements.

#### **Note 3 - Accounting policies**

The material accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated.

#### Income tax

Georges River Community Baptist Church is a not-for-profit Charity & Public Benevolent Institution and is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

## Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

#### Note 3 - Accounting policies (continued)

#### Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. All revenue is stated net of the amount of goods and services tax (GST). Revenue is recognised for the major business activities as follows:

#### Interest revenue

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

### Sale of goods and services

Revenue from the sale of goods is recognised when title to the good subject to sale passes from the Church to the customer. Revenue from the rendering of services is recognised upon delivery of the service to the customer.

#### Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of twelve months or less that are readily convertible to known amounts of cash, and which are subject to an insignificant risk of changes in value.

#### Trade receivables

For all sources of recurrent income, trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for doubtful debts. Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off.

#### Property, plant and equipment

#### Recognition and measurement

Land and buildings are shown at their fair value based on periodic valuations by external independent valuers, less subsequent depreciation for buildings. All revaluation adjustments are applied to the asset revaluation reserve. Each other class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit or loss and other comprehensive income. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

### Subsequent costs

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Church and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of profit or loss and other comprehensive income during the financial period in which they are incurred.

#### **Depreciation**

The depreciable amount of all property, plant and equipment including buildings, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the Church commencing from the time the asset is held ready for use.

The depreciation effective life used for each class of depreciable assets is:

Class of asset:Useful Life:Land10 - 40 yearsBuildings3 - 10 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

#### Note 3 - Accounting policies (continued)

#### Impairment of assets

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are compared at the lowest levels for which there are separately identifiable cash flows (cash generating units). Impairment losses are reversed when there is an indication that the impairment loss may no longer exist and there has been a change in the estimate used to determine the recoverable amount.

#### Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Church during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability. The carrying amount of trade and other payables is deemed to reflect fair value.

#### **Employee benefits**

Provision is made for the Church's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash outflows are discounted using market yields on high quality corporate bonds with terms to maturity that match the expected timing of cash flows.

#### FINANCIAL REPORT - 31 DECEMBER 2024

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GEORGES RIVER COMMUNITY BAPTIST CHURCH

### Opinion

We have audited the financial report of Georges River Community Baptist Church ("the Church") which comprises the statement of financial position as at 31 December 2024, the statement of profit or loss and other comprehensive income, the statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information and the Board Members' Declaration.

In our opinion, the accompanying financial report of Georges River Community Baptist Church is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- a) giving a true and fair view of the Church's financial position as at 31 December 2024 and of its financial performance for the year then ended; and
- b) complying with Australian Accounting Standards Simplified Disclosures and the *Australian Charities and Not-for-profits Commission Regulations 2022*.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibility for the Audit of the Financial Report* section of our report. We are independent of the Church in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the Board Members of the Church, would be in the same terms if given to the Board Members as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Board Members' Responsibility for the Financial Report

The Board Members of the Church are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Simplified Disclosures and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the Board Members determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Board Members are responsible for assessing the Church's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board Members either intend to liquidate the Church or to cease operations, or have no realistic alternative but to do so.

The Board Members are responsible for overseeing the Church's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Report

tewart Brown

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at *The Auditing and Assurance Standards Board* and the website address is <a href="http://www.auasb.gov.au/Home.aspx">http://www.auasb.gov.au/Home.aspx</a>

We communicate with the Board Members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
